O-R-D-ER- The undersigned is directed to say that it has been brought to the notice of the Ministry of External Affairs and Commonwealth Relations that the medical certificates of certain distinguished visitors, bound for or transitting through Egypt, did not satisfy the requirements of the Egyptian authorities and the assistance of the Embassy of India at Cairo had to be called for. It is, therefore, requested that all officials of the Government of India should obtain the health certificates in accordance with the instructions laid down in Ministry of Health's circular No.F.10-16/48 PHII, dated the 18th June 1948. In cases of distinguished persons, bound for or transitting through Egypt, the Ministry concerned may arrange to have their health certificates scrutinised by the Director General, Health Services, as a precautionary measure, at least a fortnight before the scheduled date of departure.
